

LIST OF TABLES

NATIONAL OVERVIEW

Section 1 THE CONTEXT OF AUSTRALIAN SCHOOLING

Table 1	Key features of Australian schooling, 1996	6
Table 2	Population by age group, selected years, Australia, 1981–1996	7
Table 3	Percentage change in number of schools, by State and sector, Australia, 1995–96	8
Table 4	Number of schools, by category (and non-government affiliation) and level of education, by State, 1996	10
Table 5	Proportion of full-time students enrolled in government and non-government schools, by level of education, by State, selected years (per cent)	11
Table 6	Full-time students, by level of education, category of school (and non-government affiliation), and gender, by State, 1996	12
Table 7	Full-time primary Indigenous students, by year and category of school, by State, 1996	13
Table 8	Full-time secondary Indigenous students, by year and category of school, by State, 1996	14
Table 9	Number of full-time students, actual and projected, by level of education and category of school, Australia, selected years ('000 as at July each year)	15

Section 2 RESOURCING AUSTRALIAN SCHOOLS

Table 10	Expenditure by government education systems, by level of education and State, 1995–96 financial year (\$'000)	18
Table 11	Per capita expenditure of government schools, by level of education, by State, 1995–96 financial year (\$ per student)	19
Table 12	State government per capita grants to non-government schools, by category, Australia, 1996 (\$ per student)	20
Table 13	Commonwealth general recurrent per capita grants to schools, by funding category, selected years, Australia (\$ estimated at final 1996 prices)	22
Table 14	Expenditure of non-government schools, by affiliation and level of education, by State, 1996 (\$ per student)	22
Table 15	Income and expenditure per student of all non-government schools, by affiliation, by State, 1996 (\$ per student)	23
Table 16	Capital expenditure by State governments in government schools, 1995–96 (\$ million)	24
Table 17	Summary of Commonwealth capital expenditure, all schools, by State, 1996 (\$ million)	25
Table 18	Government outlays on primary and secondary education as a percentage of GDP, Australia, 1988–89 to 1995–96	25

Section 3 TEACHERS AND TEACHING

Table 19	FTE of school staff, by area of activity, gender, category of school and major function, Australia, 1996	27
Table 20	Non-teaching staff as a percentage of total staff, by sector, Australia, 1994–96	27
Table 21	FTE of school staff (teaching and non-teaching), by category of school and level of education, by State, 1996	28
Table 22	Full-time student/teaching staff (FTE) ratios, by level of education, category of school (and non-government affiliation), by State, 1996	29
Table 23	Full-time student/total staff (FTE) ratios, by level of education, category of school (and non-government affiliation), by State, 1996	30

Table 24	Number of enrolments in teacher education courses, by level of course and field of study, Australia, 1996	31
Table 25	Number of persons graduating in teacher education courses, by level of course and field of study, Australia, 1995	32
Section 5	EFFECTIVE SCHOOLS AND QUALITY SCHOOLING	
Table 26	Age participation rates, full-time students aged 15–19, by gender, all schools, by State, 1996 (per cent of relevant population)	47
Table 27	Age participation rates, full-time students aged 15–19, by gender, all schools, Australia, 1993–1996 (per cent of relevant population)	48
Table 28	Progression rates, years 8–12, full-time students, by sector, Australia, 1992/93 to 1995/96 (per cent)	48
Table 29	Apparent retention rates of full-time secondary school students to year 12, by gender, category of school (and non-government affiliation), by State, selected years (per cent)	49
Table 30	Number of full-time year 12 students, by gender and category of school, by State, selected years	50
Table 31	Destination in 1991 and 1996 of students completing year 12 in 1990 and 1995, by school sector, by labour force status/type of tertiary institution attended, Australia, 1990 and 1995 (per cent)	52
Table 32	Year 12 school leavers continuing on to higher education, key statistics, Australia, selected years, 1981–96	53
Table 33	Year 12 school leavers continuing on to higher education, by gender and field of study, Australia, 1996	53
Table 34	Destination in 1996 of school leavers aged 15–19 years who attended school full-time in 1995, by labour force status/type of tertiary institution attended, by State (per cent)	54
Table 35	Number of persons who completed school in 1995 and attended TAFE in 1996	54
Section 6	FOCUS ON GEOGRAPHICALLY ISOLATED STUDENTS	
Table 36	Number of schools eligible for CAP funding and total number of schools, by category (and non-government affiliation) and level of school, by State, 1996	57
Table 37	Student (FTE) enrolled at schools eligible for CAP funding, by category (and non-government affiliation), level of education and by State, 1996	59
Table 38	Year 12 completion rates, by locality, by State and gender, 1996 (per cent)	64
Table 39	Year 12 completion rates, by locality and gender, Australia, 1991–1996 (per cent)	66
Section 7	OTHER EQUITY ISSUES AND ACHIEVEMENTS	
Table 40	Expenditure on equity target groups as set out in NEPS agreements, government schools, New South Wales, 1996 (\$ million)	68
Table 41	School Global Budget funding, government schools, Victoria, 1996 (\$ million)	68
Table 42	Additional expenditure on equity target groups (all sources), government schools, Queensland, 1996 (\$ million)	69
Table 43	Expenditure from Commonwealth funds on target groups, non-government schools, Queensland, 1996 (\$ million)	69
Table 44	Expenditure on projects to benefit equity target groups, independent schools, South Australia, 1996 (\$'000)	69
Table 45	Commonwealth funds applied to equity target groups, government schools, Western Australia, 1996 (\$'000)	70
Table 46	Administration of NEPS funding to assist target groups, independent schools, Western Australia, 1996 (\$'000)	70
Table 47	Funding applied to special purpose programs according to NEPS guidelines, government schools, Northern Territory, (\$'000) 1996	70
Table 48	Funding for equity programs (all sources), government schools, Australian Capital Territory, 1996 (\$ million)	71
Table 49	National Equity Programmed for Schools, funding by program, sector and State, 1996 (\$'000)	72

Table 50	Apparent retention rates of full-time Indigenous and non-Indigenous students to years 10, 11 and 12, all schools, by State, 1996 (per cent)	76
Table 51	Year 12 completion rates, by socioeconomic status, State and gender, 1996 (per cent)	78
Table 52	Year 12 completion rates, by socioeconomic status and gender, Australia, 1992–1996 (per cent)	79
Section 8	FOCUS ON OUTCOMES IN NUMERACY	
Table 53	IEA mathematics and science studies, 1964 to 1995	81
Table 54	Mathematics achievement, mean scores, TIMSS Population 2 (13 year olds), by country, 1995	81
Table 55	Mathematics achievement – TIMSS Population 2, by State, 1994	82
Table 56	Mean test scores for numeracy, Basic Skills Tests, government schools, year 3 (1994–1996) and year 5 (1996 only), all students and students in key subgroups, New South Wales	83
Table 57	Mean test scores for numeracy, Basic Skills Tests, year 3 and 5, government schools receiving CAP funding, by gender, New South Wales, 1996	83
Table 58	Achievement in mathematics, years 3 and 5, by Curriculum Standards Framework (CSF) levels, all students and students in key subgroups, Victoria, 1996 (per cent)	84
Table 59	Test outcomes in areas of numeracy, year 6 students, by gender and key subgroup, all schools, Queensland, 1995 and 1996	85
Table 60	Mean scores for numeracy, Basic Skills Tests, years 3 and 5, all students and students in key subgroups, government schools, South Australia, 1996	86
Table 61	Mean test scores for numeracy, Basic Skills Tests, years 3 and 5, all students and students attending CAP schools, year 3 and year 5, South Australia, 1996	86
Table 62	Percentage of sample of students achieving at or above a specified level in key areas of numeracy, years 3, 7 and 10, government schools, Western Australia, 1996	86
Table 63	Non-urban schools 1996 results, all schools, all stages of mathematics, number of students participating, average percentage correct	87
Table 64	Results of MAP tests in mathematics, Stages 5 and 7, all urban schools, Northern Territory, 1996	87
Section 9	FOCUS ON SCIENCE	
Table 65	Science achievement – mean scores, TIMSS Population 2 (13 year olds), by country, 1995	94
Table 66	Science achievement – TIMSS Population 2, by State, 1994	95
Section 10	OTHER AREAS OF CURRICULUM AND STUDENT ACHIEVEMENT	
Table 67	Participation by year 12 students in tertiary-accredited subjects, by Key Learning Area, by gender, Australia 1996	104
Table 68	Number and percentage of year 12 enrolments in tertiary-accredited subjects, by Key Learning Area, by gender, Australia, 1991 and 1996	105
Table 69	Mean test scores for literacy, Basic Skills Tests, government schools, year 3 (1994–1996) and year 5 (1996 only), all students and students in key subgroups, New South Wales	107
Table 70	Mean test scores for literacy, Basic Skills Tests, years 3 and 5, government schools receiving CAP funding, by gender, New South Wales, 1996	107
Table 71	Achieving in literacy, years 3 and 5, by Curriculum Standards Framework levels, all students and students in key subgroups, Victoria, 1996 (per cent)	108
Table 72	Outcomes in literacy tests, year 6 students, all schools, Queensland, 1995–96	109
Table 73	Mean scores for literacy, Basic Skills Tests, years 3 and 5, by gender, government schools – all schools and CAP schools, South Australia, 1996	109
Table 74	Percentage of sample students achieving at or above a specified level in reading and writing, years 3, 7 and 10, government schools, Western Australia, 1992 and 1995	110
Table 75	Percentage of sample of students achieving at or above a specified level in key areas of literacy, years 3, 7 and 10, government schools, Western Australia, 1995	110

Table 76	Performance in key areas of literacy, year 5 students, government schools, Tasmania, 1996	110
Table 77	Participation in and outcomes of MAP tests in reading, urban Stages 5 and 7, government schools, Northern Territory, 1996	110
Table 78	Participation in and outcomes of MAP tests in reading, non-urban Stages 3 and 4, government schools, Northern Territory, 1996	111
Table 79	Number of Asian languages and number of all languages other than English, by level of student, government schools, by State, 1996	115
Table 80	Percentage of government schools offering at least one LOTE, by State, 1996	116
Table 81	Relative ranking within States of the five most popular languages nationally, by level of schooling, government schools, Australia, 1996	116
Table 82	Percentage of year 12 LOTE enrolments in the ten most popular languages, all schools, Australia, 1991–1996	117
STATE CHAPTERS		
NEW SOUTH WALES		
Table 83	1996 HSC candidates in mathematics, government and non-government students	131
Table 84	1996 HSC candidates in science, NSW	132
VICTORIA		
Table 85	LOTE programs, Catholic schools, Victoria, 1996	146
Table 86	National Asian Languages and Studies in Australian Schools, Catholic Schools	147
WESTERN AUSTRALIA		
Table 87	Commonwealth-funded capital projects, government schools, Western Australia, 1995–1996	174
TASMANIA		
Table 88	Commonwealth grants to Catholic schools, Tasmania, 1996	182
Table 89	Commonwealth grants to independent schools, Tasmania, 1996	182
Table 90	Year 5 students' performance in literacy, Tasmania, 1996	183
Table 91	Performance of year 5 students against the national profile levels, Tasmania, 1996	186
Table 92	Year 5 students' performance in literacy, Tasmania, 1996	191
Table 93	Gender balance among teachers of mathematics, Tasmania, 1996	192
Table 94	Use of national science statement and profile, government schools, Tasmania, 1996	194
NORTHERN TERRITORY		
Table 95	Number of primary and secondary students and number of teachers – NALSAS program	200
Table 96	Secondary student participation in mathematics courses	206
Table 97	Urban schools 1996 results, all schools, Stages 5 mathematics, number of students participating, average percentage correct	206
Table 98	Urban schools 1996 results, all schools, Stage 7 mathematics, number of students participating, average percentage correct	206
AUSTRALIAN CAPITAL TERRITORY		
Table 99	Per capita grants, non-government schools, by category and level of education, 1996 (\$ per student)	215
Table 100	Equity expenditure in government and non-government schools, 1996 (\$ million)	216
COMMONWEALTH		
Table 101	Commonwealth grants for schools by program and category of school, States, 1996 (\$'000)	227
Table 102	Commonwealth grants for schools, Annual Appropriations, 1996–97 (\$'000 actual expenditure)	228
Table 103	Number of Commonwealth-funded non-government schools and students (FTE), by funding category and affiliation, selected years	229

Table 104	National Equity Programme for Schools, numbers of schools, and students assisted, 1996	231
Table 105	AESIP expenditure, payments to States, 1996 (\$'000)	232
Table 106	Numbers of students attracting Priority Languages funding, by State and language, 1996	233
